Change of **Sex**

2695. SHRI ABU ASIM AZMI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government are aware that Indian Medical science has been successful in sex change;

(b) if so, the number of persons who have changed their sex so far; and

(c) how far the female population in the country will be protected from the shortfall?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) Yes, Sir.

(b) There is no national registry for collection of such data as on today.

(c) There is no programme/ scheme presently functioning for controlling sex change in the adult population. However to prevent sex selection in

the prenatal stage against the girl child which would lead to shortfall in number of females in the population, the Government has enacted the Prenatal Diagnostic Techniques (Regulation and Prevention of Misuse) Act, 1994.
